

SAS Recipe Books now on Sale

The much anticipated SAS Recipe Books are **now being distributed by your club SAS Rep.** These will make a great Christmas present for all swimmers to their mums, DADS, aunties, grannies, nans, etc....., and at the bargain price of **just £5**, they are an absolute snip. Books will make an equally good present for work colleagues, so now all your last minute Christmas shopping problems are solved.

To get the ball rolling, every swimmer/family in each of the 4 clubs will be allocated 4 books, that is **one free just for being a member of SAS**, and 3 to sell, with more available though Lindsey Caldwell, and your Club SAS Representative.

Any unsold books should be returned in mint condition to your SAS rep by the 8th of January. (returned books not in a condition to be re-sold will have to be charged for - sorry)

Books will also be on sale at the SAS Junior Meet in January, so hopefully a few more sales there too, as people get tired of the Christmas Fayre.

Books will continue to be available thereafter for those last minute birthday presents as long as stocks last !

For more books, please contact either doug Thomson,

Or Graeme Gordon, 013398 86800 or katiegogs1@btinternet.com

Many thanks.
