

SPREE EFFORT!

A big thank you to everyone who supported this year's Spree sales. My target for 2008 was to exceed sales of 400 books and the Team did this by achieving an excellent 431 book sales and making £3,800 approximately in the process for our funds so a huge thank you for this valuable support.

This has again been a very successful year and the funds generated are crucial in ensuring that costs are kept down as far as possible for swimmers during the coming year. Next time we just need to ensure that we find a way to encourage all parents to join the sales promotion! You don't have to buy a book, just sell a few. Who knows how much we could make for the benefit of your children?

Thanks again to those who sold/bought books!
